PROFESSIONAL SUMMARY

Detail-oriented Computer Science Engineering student at AMC Engineering College with a focus on building high-impact, real-world solutions. Proven ability to balance rigorous academics with competitive sports, demonstrating discipline, strategic thinking, and leadership. Passionate about AI-integrated security and real-time coordination systems.

EDUCATION

AMC Engineering College, Bengaluru *Bachelor of Technology in Computer Science and Engineering* | **Expected 2027** * Currently in **6th Semester** * **Key Coursework:** Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks.

TECHNICAL SKILLS

- **Languages:** Java, Python, C.
 - **Web Development:** HTML5, CSS3, JavaScript.
 - **Databases:** MySQL.
 - **Tools & Platforms:** Git, GitHub, VS Code.
 - **Core Competencies:** AI-Integrated Solutions, OOP, Problem Solving.
-

PROJECTS

Ambulance-Hospital Coordination System * Developed a real-time platform to bridge the communication gap between emergency services and hospitals.

- Focused on reducing emergency response times through streamlined patient data transmission.
- Designed for high reliability and low latency to ensure critical real-world impact.

Text Steganography using AI * Engineered a secure data-hiding solution utilizing AI to embed sensitive text within digital media.

- Enhanced concealment resilience against traditional detection methods using AI-driven models.
 - Implemented encryption protocols to ensure end-to-end data privacy.
-

EXPERIENCE & LEADERSHIP

Hospitality Team Member – College Hackathon | *AMC Engineering College* * Coordinated logistics and participant relations for a large-scale technical event.

- Managed real-time problem-solving and communication between organizers and attendees.

School Badminton Team | *Active Member & Competitor* * Represented the school in high-stakes regional and zonal competitions.

- Developed strong teamwork and strategic thinking through consistent competitive play.
-

AWARDS & ACHIEVEMENTS

- **Athlete of the Year:** Selected 1 out of 150 students (9th Grade) for excellence in sports.
- **Gold Medal (Doubles):** Open Tournament hosted by Gurukul International School, Bangalore (U-16).
- **Silver Medal:** Inter-School Vidyabharti District Level Badminton Competition (U-14).
- **Zonal Representative:** Represented school team in CBSE South Zone Badminton Competition (U-14).
